"EWHA-LUCE INTERNATIONAL SEMINAR (ELIS): Expanding Horizons" is an intensive residential internship program for women graduate students in the STEM fields. This summer seminar has started from 2015 at Ewha Womans University. The project aims to bring together 24 highly talented women graduate students in the STEM (Science, Technology, Engineering, and Mathematics) fields from the United States and Asia through various training programs, professional knowledge sharing and networking which will expand horizons for the future of the scientific community. The program focuses on various issues surrounding women, science, convergence, etc.
