China's Location in the World
Shandong Province in China
Liaocheng in Shandong Province
Liaocheng University is one of the four leading universities in Shandong Province, China, ranking about 200 among over 2,600 Chinese higher institutions.
History of LU

- **1974**—Shandong Teachers University Liaocheng Branch
- **1981**—Liaocheng Teachers University
- **2002**——Liaocheng University
Facts and Figures of LU

- One of the four leading universities in Shandong Province, ranking about 200 among more than 2,600 higher institutions in China (2010)
- Two Campuses, 260 hectares, 29 Schools, 10 Research Centers
- 50 Master Degree Programs, 78 Undergraduate Programs
- Full-time Students: 28,000 from 31 provinces of China, Part-time students: 12,000, 150 international students from 8 countries
- 21% of the undergraduates go to graduate schools
- Faculty: 2,100 (220 professors, 477 associate professors), 50 international faculty
- 10 disciplines: Philosophy, Economy, Law, Pedagogy, Literature, History, Science, Engineering, Agriculture, Management
- 2 libraries covering a building area of 45,000 m²; 2.33 million of books, plus 25 TB of electronic books (about 2 million books)
- School funding: 500 million RMB per year
- Employment rate in the past 5 years: 87%, (Postgraduate: 95%)
LU Schools

- School of Education
- School of Foreign Languages
- School of College English Education
- School of Media Technology
- School of Physics & Information Technology
- School of Computer Science
- School of Business
- School of Music
- School of Fine Arts
- School of Chinese and Literature
- School of Politics
- School of Law
- School of History & Culture
- School of Physical Education
- School of Social Physical Education
- School of International Education
- School of Life Science
- School of Management
- School of Agricultural Science
- School of Mathematics
- School of Reserve Military Officers
- School of Environment & Planning
- School of Architectural Engineering
- School of Automobile & Transportation
- School of Material Science & Engineering
- School of Chemistry & Chemical Engineering
- School of Continuing Education
- School of Network Education
- School of Medicine
