STUDENT AGREEMENT

I understand that I am enrolling in a non-degree program and that it is my responsibility to ensure transfer of any credits I complete at Temple University toward my current degree program at my home university.

I understand that I am undertaking this program on my own and that it is my responsibility to accurately plan and execute a study plan for the duration of my stay at Temple University.

International students are required to provide adequate proof of English language proficiency at the level of TOEFL iBT 79 or higher in order to be allowed to enroll in academic courses. I understand that, unless I provide adequate proof of English language proficiency prior to my arrival at Temple University, I will be required to take a language assessment test administered by the Intensive English Language Program before signing up for any courses. If my English language score is below the equivalent of TOEFL iBT 79, I may be required to take one semester or more of English language instruction.

I understand that should I fail to enroll in and show up for approved courses, or if I violate any laws, rules, or policies while enrolled at Temple University, the University may terminate my study, which may result in my returning to my home country. In such an event, I am responsible for any cost that I may incur.
